

Personal Banker Personal Banker Computer Science Anthem, AZ Hi! I'm Whitney Stotler. I am a Front- End Web Developer, Videographer, Personal Banker, and Graphic Designer. I'm a team player and a hard worker. I've been in multiple leadership roles including being team captain. Since I'm naturally detail oriented, it has thus furthered me in my career as a programmer, editor, and Photoshop enthusiast. I'm great with people, and ready to work with you! Authorized to work in the US for any employer Work Experience Personal Banker Vision Bank, OK - Ada, OK March 2019 to Present Customer Service Representative and Teller, service commercial and personal accounts for customers, handle transactions, create debit cards, send wires, safe deposit box, and assist customers in their everyday financial life. Front End Web Developer The Chickasaw Nation - Ada, OK May 2017 to December 2018 Develop and maintain the HealthPic Website in the Health IT Department using Javascript, HTML, CSS, JQuery, and React. We make it easier for the clients to read the data and health records, while also coordinating with the Back- End Developers to get the correct data on the page.
