

FRONT- END DEVELOPER FRONT-END DEVELOPER FRONT- END DEVELOPER -
SOLUTIONS BY DESIGN II LLC Arlington, VA I like to create. Building anything from the ground up
has always been a passion of mine. I also like working with people to solve a problem and making a
difference no matter how small is very important to me. That is what makes me passionate about
programming, because I can build almost anything. It challenges my problem-solving skills and I can
work with people easily. I enjoy working with JavaScript Frameworks, specifically ReactJS, NodeJS,
and Angular. Work Experience FRONT- END DEVELOPER SOLUTIONS BY DESIGN II LLC April
2018 to Present Worked as a Front- End Developer on a ground-up re-write of an enrollment
application for CMS (Centers for Medicare and Medicaid Service). Used Jira for ticketing and
Confluence for documentation. Follow Scaled Agile Framework (SAFe) process in a Domain
Driven Design (DDD) environment working in 3-week sprints. Worked on a sprint team of 6 FTEs
as one of two Front- End Developers responsible for Authentication and Verification & Attestation
Domains of the application. Attended daily scrum meetings and participated in planning meetings.
Developed the front end of the domain using ReactJS. Developed the back end with Java,
Node.JS and Express. ENVIROMENT: ReactJS, Sass, NodeJS, Java (Spring), Docker, Jenkins,
GitHub, PostgreSQL, Microservices. FULL STACK DEVELOPER CODING DOJO - McLean, VA
September 2017 to February 2018 As a member of Coding Dojo's Training program, I improved my
database, and front- end web developing expertise using a variety of web frameworks built in
Python, Java, and JavaScript. During my residency, I amassed over 1,500 hours of development.
FRONT- END DEVELOPER ANGULAR 4&5, REACT, SASS August 2015 to September 2017
Worked on prototypal interactive projects using SASS, ANGULAR, ReactJS and NodeJS. Worked
heavily on the UI/UX design with Axure and Adobe XD. Received outstanding recognition from
managers and colleagues. Education ASSOCIATE'S in COMPUTER SCIENCE & ARCHITECTURE
MONTGOMERY COLLEGE 2014 to 2016 UNIVERSITY OF MARYLAND COMPUTER SCIENCE
