My main focuses were running a profitable store through PnL and building a work culture people enjoyed that maintained low turnover. If you are interested about these positions in this industry I can go further into detail. Other notable positions: Untold Threads: I ran my own e-commerce business for about 2 years from 2016-2018. I made decent side income; but what I learned from the successes and failures, trials and errors, development, design, and business knowledge was far more valuable than the money involved.
