

Web Designer Web Designer Web Design since 2001, UX/UI Design enthusiast San Francisco, CA  
Web designer and marketing enthusiast. Over the years I created websites, banners, short videos, and e-mails as part of online campaigns. I was also part of a team that drafted marketing and communication strategies for movie promotions. Assisting planning communication through the internet and other media with the coordination and management of movie and, promotion, public relations, and marketing research in support of the sales, marketing, and product. I m now shifting my interest and wishes to join a product team to UX/UI Design. Authorized to work in the US for any employer
