

Front- End Web Developer/Designer Front-End Web Developer/Designer Investments representative/Web development <https://codepen.io/bobby-dicicco/> Johnston, RI As someone who fears mediocrity, I am focused on finding better ways to resolve your issues. I am an aspiring web developer who has spent sleepless nights hoping for an opportunity. An opportunity to finally contribute through means of creativity and passion. I thrive on being able to have such an impact on my projects, and being able to realize results in real time. Please follow the link below to view my most recent project built with Node.js, MongoDB and express. Designed with HTML, JavaScript bootstrap and CSS. <https://sheltered-anchorage-83430.herokuapp.com/> I have been working/studying as a web developer over the last 2 years. Experienced with the following: HTML CSS JavaScript Bootstrap WordPress Node.js Express Also, I am going on 6 years experience in finance. I transitioned from deposit services at Bank of America, to investment services at Columbia Threadneedle Investments. Experienced with assisting financial advisors and educating them and their clients. Deal with mutual fund trading and many different account types. I calculate RMD on IRA accounts, help complete death procedures, service UTMA/UGMA accounts and Coverdell ESA accounts, assist with tax forms and cost basis education. Work Experience Front-End Web Developer/Designer Self Employed - Providence, RI January 2017 to Present Please navigate to the link below to view my YelpCamp project, built and designed with Node.js, Express, Mongo Db, Bootstrap etc. Currently hosted on Heroku. Fully functional! Create a username and see for yourself! <https://sheltered-anchorage-83430.herokuapp.com/> CCA certified in HTML, JavaScript and CSS. Technologies frequently used consist of MongoDB, Express, and Node JS. Experience with Bootstrap and Semantic UI, CSS Flex, JQuery, Mongoose databases and RESTful routing. Please see my codepen link to view some examples of my work: <https://codepen.io/bobby-dicicco/> Transfer Agent/Shareholder Columbia Threadneedle Investments - Providence, RI September 2015 to Present Processed mutual fund trades for investors and financial advisors. Opened new accounts for the specified mutual funds. Provided assistance with retirement account regulations. Explained RMD requirements and IRS limits. Educated in UTMA accounts, corporations, charitable foundations, IRA accounts and processing upon death. Dealt with tax form

corrections and the meaning behind gain/loss results. Communicated with banks, treasury departments and beneficiaries to further resolve client account issues. Education Business Rhode Island College - Providence, RI 2009 to 2010 business Rhode Island College 2009 to 2010 High School Diploma Johnston Sr. High School - Johnston, RI 2005 to 2009 Johnston High School 2009 LaSalle Academy 2006 Skills IRA (3 years), MUTUAL FUND (3 years), AWS (2 years), BOOTSTRAP (2 years), CCA (2 years), CSS (2 years), HTML (2 years), JAVASCRIPT (2 years), MONGODB (2 years), SEMANTIC (2 years), UI (2 years), USER INTERFACE (2 years), BUYING (Less than 1 year), BUYING/PROCUREMENT (Less than 1 year), BUYING/SELLING (Less than 1 year), CLIENTS (Less than 1 year), CUSTOMER SERVICE (Less than 1 year), FINANCE (Less than 1 year), HTML5 (Less than 1 year), RECEPTIONIST (Less than 1 year), RETAIL SALES (Less than 1 year), SALES (Less than 1 year), SATISFACTION (Less than 1 year), SERIES 6 (Less than 1 year), TEACHING (Less than 1 year), Front End, Wordpress Links <https://codepen.io/bobby-dicicco> Certifications/Licenses FINRA Series 6 December 2015 to Present Additional Information SKILLS/KNOWLEDGE After 5 years of experience within the financial/customer service industry, I have gained an immeasurable amount of insight as to how our money is valued, developed and regulated. This would lead to teaching myself all while learning to teach my clients. Economic woes have swarmed our society, most specifically in my early adult years, proving I have a personal understanding outside of just occupational experience. Please note, during my time in finance I have branched out to study web development over the last two years. CCA certified in HTML, JavaScript and CSS. Technologies frequently used consist of MongoDB, Express, Cloud9 AWS frameworks and Node JS. With the ability to blend customer satisfaction and the modern world of technology, I assure that I can contribute more than the average employee within your company. Please see my codepen link above, as well as more skills I possess below. FINRA Series 6 licensed IRA/Roth IRA accounts UTMA/UGMA accounts IRS retirement regulations Mutual fund performance Mutual fund buying/selling Cost basis Transaction processing Research processing Coverdell ESA accounts Customer service HTML5 CSS Javascript MongoDB Express JS Node JS Bootstrap Semantic UI
