

Research Assistant Research Assistant Research Assistant Lubbock, TX Work Experience
 Research Assistant TTU 2017 to 2019 Research on Clustering for big data and search function
 Software Development Experience in Big data Programming in C for high dimensional data access
 Doing a Machine Learning, data analysis and distributed systems project Using HPC systems,
 with Quanah and Hrothgar clusters Software Developer Mobtakeran Engineering Company, Shiraz
 2015 to 2016 Programming in C and test some projects Instructor Payam-e-Noor and Islamic Azad
 University 2012 to 2016 Teaching the following courses Data Base Data Structures
 Operating System C/C++ and Pascal Programming The Concepts of Object Oriented The
 Design and Analysis of Algorithm Student Assistant Etratrayaneh Company, Shiraz 2008 to 2009
 Backup and Restore of databases Analyze some software and their mechanisms Skills
 Programming: C++, C, C#, Python Simulation Software: Cloud-Sim, Disk-Sim Database: SQL
 Server Visualize Software: UML Virtualization Software: Xen Object Oriented Concepts: Rup
 Multimedia Software such as PRIMER, FLASH Research Interest Big Data, Data Analysis
 Machine Learning Cloud Computing Collaborating with different fields Honors and Awards
 Awarded the 1st rank in Bachelor's Degree at Payam-e-Noor University, 2004-2009. Awarded the
 2nd rank at ACM Programming Competitions at university, 2008. Awarded the higher lecturer in
 Cloud Computing Topic and Letter of Appreciation from the dean of Kazeran University, 2012.
 Certificate for the participation in "National Workshop on Cloud Computing" from Amirkabir University of
 Technology, 2012. An editorial board of toward science journal that specialize on computer
 science. Certificate for the participation in "ISI Essay one-day Workshop" from Najafabad University,
 2011. Certificate for the participation in MCSE Courses from the institute of Management and
 Technology, Mark: 86/100, 2010. Education Master of Science in Computer in Graduate Research
 Assistant of Computer Science Texas Tech University - Lubbock, TX December 2019 Master of
 Science in Software Engineering in Software Engineering Islamic Azad University October 2010 to
 February 2013 B.Sc. in Computer Engineering Shiraz University October 2004 to May 2009
