November 2017 to June 2018 Called Potential clients and helped set them up with the correct
package to help fix their Credit scores. Also provided basic information on what a credit score was
and how it was weighted. During the Student Loan process, we were selling packages to file people
for student Loan consolidation and maintain their access to these programs. Skytech Media
Solutions Jun.2018- Worked on the website while it was on square space, and then did the transfer
of the site over to word press, and formatted it correctly. Built a shop for the website, as well as
developed better SEO for the company. Assisted with server and system installs all over the country
from new York to Los Angeles. Setup up network solutions for small companies across the country.
GSI November 2016 to October 2017 Was a call Center representative who called potential clients
for donations, for different nonprofit organizations. Had to deal with irate people and turn them into
potential customers. Also had to become proficient with Microsoft word and excel for data entry.
