

Owner Owner Owner - Vicious Dishes, LLC Tucker, GA As a native of Atlanta, GA, I have served many roles in the corporate environment up until 2017 when I decided to pursue my passion for culinary arts. I started my own catering company, Vicious Dishes, LLC, and now I am positioned with that brand to move into a culinary service position in the hospitality industry whereupon which I can teach others my passion for cooking and learning, and successfully leading a team to perform with outstanding resolve. Aside from the jobs listed under Work Experience, I also worked various jobs as a consultant/contractor. All of these employment opportunities have given me a solid foundation to be successful in building relationships throughout the hospitality industry.
