

Data Systems Administrator Data Systems Administrator Jacksonville, NC Quick learner with a common sense approach. Work Experience Data Systems Administrator U.S. Marine Corps - Jacksonville, NC January 2017 to Present I set up and maintain virtual servers including domain controllers/DNS servers, exchange servers, call manager, Nessus scanners and security center. I also work with help desk on operations. By that, I mean that I create user accounts, troubleshoot issues that arise for users, etc. I am also knowledgeable in networking. I have done my fair share of configuring and troubleshooting routers and switches. I built the entire server infrastructure for 2nd Marine Logistic Group. I am Sec + certified. I am also a quick learner and am enthusiastic about what I do.
