

Job Seeker Green Bay, WI I am a Front- End Web developer by day, Crossfit-In-Training by night. I have over 3 and a half years of Front- End Web Development experience and looking to add more years and great work. I work with various languages and programs on a daily basis. I have a strong work ethic, good time management, self motivator, I like to think outside the box and I am very personable. I'm seeking a position that takes me out of my comfort zone and challenges me to grow and further develop my skill set.
