Extremely passionate about learning, building, fiddling, breaking, creating, and utilizing new technologies. "Yes, I've made a great deal of dough from my fiction, but I never set a single word down on paper with the thought of being paid for it. I have written because it fulfilled me. I did it for the buzz. I did it for the pure joy of the thing. And if you can do it for joy, you can do it forever." Stephen King Learn more about my projects on my website: qasimabbas.com
