Additional Information Hi, This is Vaishali Sarje, I have done my 4 years Bachelor of Computer Engineering. I have 3 years Junior Java Developer experience. I worked in Capgemini, Mumbai. I took 10 years career break to raise my family. I am looking for an opportunity to return to work. I have work authorization. I don't need the sponsorship. I am willing to

learn new technologies. I have brushed up my knowledge. I took Spring framework, REST webservices courses on Udemy and learning new skills Angular 7, Spring boot. Thank you.
