

Webmaster/ Web Developer Webmaster/Web Developer Sales Palmetto, FL I have been in Sales most of my life. I started sales and marketing in the livestock feed industry Moorman's MFG. I was a Auto Salesman for 14 years, and a Life & Health Insurance Agent for 2 years. I switched careers and went in computer repair and website development. I consider myself as a good problem solver. I always find away to solve situations when ever I run into them. Authorized to work in the US for any employer Work Experience Webmaster/ Web Developer Self Employed January 2003 to Present Education Associate Skills Microsoft office, CMS, PC repair, Adobe products- Photoshop, Illustrator, vector art for screen printing. I have skills with most software used on pc's. (10+ years), Wordpress, HTML Certifications/Licenses Computer Graphics & Design January 2003 to April 2005 Kaiser College Sarasota - Adobe products- Premier, Photoshop, Illustrator, vector art for screen printing. Macromedia web developer Dreamweaver, fireworks and Flash. I build websites mostly thru Godaddy.com using Wordpress and I do SEOs.
