

Owner and Photographer Owner and Photographer Bellingham, WA I am a dynamic and multi-talented person who enjoys competency in a wide range of skills. I have an extensive writing and technology background in my employment history, experience managing social media accounts, and experience in management in several environments. I m also a photographer and advanced Photoshop user. For the last few years, I have been focusing on maintaining employment that leverages my visual and written creativity and experience in marketing and social media. Authorized to work in the US for any employer Work Experience Owner and Photographer Pat Beggan Photography - Bellingham, WA November 2015 to Present I operate my own business part-time producing visual content for clients including headshots, event and product photography, illustrative composites, and other Photoshop-retouched imagery. As owner I fill a variety of roles including marketing, sales, SEO content writer, social media manager and customer service, as well as being a project manager for larger advertising imagery projects and my own website upkeep. Staff Writer & Photographer Ganjapreneur.com April 2017 to March 2019 I wrote daily briefs summarizing news and policy developments for the rapidly-developing legal cannabis industry. I also researched and wrote longer-form SEO and educational content about the science and history of the cannabis plant and hemp industry. I also produced product photography alongside written product reviews. Partner & Project Manager Happy Chap Creative Co March 2017 to February 2019 I worked as a member of a co-operative creative company to produce original imagery via camera and Photoshop for use in digital marketing (especially social media) and advertising. I also helped schedule meetings and organize tasks for website development and marketing media creation, participated in the brainstorming and marketing research that made up the core of our branding and marketing services and helped troubleshoot in-house IT issues. Marketing Manager & IT Support Bayou on Bay - Bellingham, WA November 2015 to July 2016 After beginning my photography business I transitioned from the position of General Manager to Marketing Manager while also providing tech support. I created all visual and written content for marketing and advertising, managed all social media accounts and helped organize and promote events for the restaurant. I also provided tech support for the point-of-sale system and other in-house computer and networking issues. Line Cook,
