Assessments provides skills tests that are not indicative of a license or certification, or continued development in any professional field. Additional Information Creative and technically sophisticated with 2 years of programming experience. I come from a diverse background where I was able to combine both business and technology in my everyday work. Technical Proficiencies: Solid foundation of React, JavaScript, HTML, CSS, MySQL, MongoDB, Node, Express, Java, and REST APIs. Strengths: Highly motivated, love a team atmosphere and work great with others. I am a self-starter, as in my previous career the work I put in directly correlated with the results.
