

Systems Administrator Systems Administrator Summerfield, FL It is my intention to find a company where I can lend my knowledge, training and skills with integrity, loyalty and energy for years to come in the world of providing electrical power to the public. You will find in me a person who works every minute of the day, smartly, quickly, efficiently - in a mannerism that is fair to all concerned.

Employers know that I am a polished professional; value added to the organization. I have been recognized for my ability to detect issues and problems immediately, communicating quick solutions that are healthy to the business environment.
