

Web Developer Web Developer Pahrump, NV Work Experience Web Developer Diamond Resorts  
March 2012 to Present Larry Moody Web Developer As an IT Professional since 1988, I have  
provided large and small business solutions for many industries and in many development  
environments. I deliver on-going improvement to existing processes as well as identify new areas  
where technology can be beneficial. Using mostly Microsoft tools, I have implemented powerful,  
user-friendly applications for the desktop and the web. I am currently studying Xamarin (another  
Microsoft product) to provide even more convenience to mobile users from busy business  
executives to future customers. You will find me to be well-spoken, energetic, confident, and  
personable, the type of person you can trust and rely on. I enjoy complex challenges and I am an  
excellent communicator with technical and non-technical peers alike. Education Associate's Degree  
Phillips College 1988 Skills Javascript, ASP, Front End, JQuery, Bootstrap, HTML5, C# Links
