

Senior Web Developer Senior Web Developer Senior Web Developer Township of Hamilton, NJ
Authorized to work in the US for any employer Work Experience Senior Web Developer Bluetone
February 2015 to Present BLUENOTES In this company I built many significant projects using my
skills on Wordpress, Shopify, React and PHP. Normally each project is done by 5 or 6 members of
the company, and I was proud being a top rated senior full stack web developer there. We built the
websites with various and complicated logic inside of it as well as did some online marketing works,
too. The eCommerce website is built with Shopify and earning 80K of net profit per year. I have
great skills for Front-end and Back-end technology, and this website was a good play ground for me
to prove my skills. This website was built by the team with 3 members, and I gave them technical
lead to succeed the project. SENIOR Web Developer BEN MOSS JEWELLERS August 2012 to
April 2014 I have worked as a senior web developer of this company, who is running the business
using eCommerce website. The eCommerce website is built with Shopify and earning 80K of net
profit per year. I have great skills for Front-end and Back-end technology, and this website was a
good play ground for me to prove my skills. This website was built by the team with 3 members, and
I gave them technical lead to succeed the project. SENIOR WEB DEVELOPER September 2010 to
April 2012 UPWORK For 2 years, I have worked as full-time freelancer on Upwork. I have
developed many websites and plugins for some clients. I always work very clean and fast.
