

Software Developer Software Developer Software Developer - Thompson Cigar Largo, FL  
Knowledgeable bartender with over four years' of quality high volume bar experience. Bar styles include pool, night club, sports, restaurant, lounge, service, and private clubs. Possess supervisory and training experience of bar and cocktail staff. Also, my work as a Waikiki bartender has required that I gain the necessary proficiencies that high volume bartending demands. But, most importantly, I always provide exceptional service with a smile to help ensure the best possible guest experience.
