

Webmaster Webmaster Webmaster - Bazaar Star Beadery Hoboken, NJ Authorized to work in the US for any employer Work Experience Webmaster Bazaar Star Beadery - Ridgewood, NJ March 2019 to Present The Bazaar Star Beadery is a bead store which allows customers to make custom made jewelry and hosts spiritual events. My responsibilities as the webmaster include managing online social outreach, e-commerce, and any and all updates to the website. Bergen County NJ - Tutor Self-Employed April 2019 to June 2019 Through Generation Coders, National Honor Society, and TECH Camp, I have spent hundreds of hours teaching. Because of this, I have started tutoring on my own time outside of school. I teach mathematics and programming to middle school age children. Software Developer Intern BrightLogic Inc - Midland Park, NJ September 2018 to May 2019 BrightLogic is the industry's leading interactive LED floor experts. I intern with their engineering team to work on their Active Floor product. I worked in C# and JavaScript to develop software to run the floor, as well as on applications that run on the floor. Full Stack Web Developer Intern Readorium - Teaneck, NJ June 2018 to September 2018 Readorium is a company/product which is developed to help younger kids learn subjects like Mathematics, Science, and English. During my time with them I was able to work mainly on the back-end of their product. I worked with their databases, as well as updated their product and created new analytics tools. I worked mainly in SQL and PHP to develop their web application and manage their database. Front End Web Developer Intern Sooryen Technologies - Oradell, NJ June 2014 to September 2017 Sooryen first employed me as a trainee during the summer of 2014. From June to September, I acquired the skills necessary for web development (HTML, CSS, SCSS, JavaScript, JQuery, and Moovweb) and iOS development (Objective-C, XCode, and the MVC framework). During the summer of 2015, the following school year, and the summer of 2017, I worked as a front-end intern. During this time I was involved with the renovation of several existing websites, as well as in creating new websites from scratch.
