

Project Manager / Business Analyst Project Manager / Business Analyst Project Manager / Business Analyst Matthews, NC Work Experience Project Manager / Business Analyst High Jump Corp 1992 to 2016 Supported 35 distribution companies with annual sales of 80 to 900 million. Software allowed the companies to become more proficient and increase annual sales revenue. Installed and supported the purchasing, order entry, inventory control, accounts receivable, warehousing, invoicing, discounting and sales reporting. Customized software was necessary for each company depending on the types of discounts authorized and the tax laws mandated in each state. Reports were customized for every distributor. Modified RPG400 and QCL for customer customization from headquarters and on-site locations. Supervised and had hands on-installation of AS400, consisting of sub-systems, user profile and operating system upgrades. AS/400 connections were utilized to set up PC networks through client access, Cisco, TCP/IP, Query and VPN. HighJump grew from 20 distributors in 1992 to 35 in 2009. Created software for Red Bull expanding software to four additional distributors. 508 Devonport Drive Matthews, NC 28104 ken.taylor508@gmail.com (704) 821-7763 IT Director Murray Distributing Company 1990 to 1992 Responsibility includes Installation of software packages, supporting the JD Edwards software, purchasing, general ledger, accounts receivable, accounts payable, order entry, invoicing and warehousing.
