

Oracle Database & Banner (ERP) Administrator Oracle Database & Banner (ERP) Administrator

Oracle Database & Banner (ERP) Administrator - HARPER COLLEGE Aurora, IL Work Experience

Oracle Database & Banner (ERP) Administrator HARPER COLLEGE - Palatine, IL October 2018 to April 2019 Installed new Oracle database 12cR2 for Banner application. Upgrade Banner application from release 8 to release 9 Deployed Banner application on Weblogic Server Applied quarterly security patches in PROD and TEST databases Diligently worked on Incident tickets to SLA conditions defined by the management. Performed database cloning using RMAN ensure service related issues like monitoring backups, storage management are identified and resolved within established SLAs Quickly response to the database alerts and escalations and work with related teams to come up with a strategic solution. LEWIS UNIVERSITY, Romeoville, IL 09-2015to05-2018Oracle Database & Banner (ERP) Administrator Responsible for Installation of new Oracle databases for Banner application. Applied critical upgrade patches to Oracle databases. Applied Banner upgrade patches using ESM (like FinAid, Student, AR modules etc) Responsible for taking nightly scheduled backups using RMAN Weblogic application server administrator Administrator for Tamcat and Jenkins Managed Oracle and MS Sql Server Databases in PROD and TEST environment 24/7 Frequently used Data Pump for schema export.

Installed new Microsoft Sql Server database for Starrez Housing Application Administer for scheduling nightly jobs in Automic job scheduler Compiling Oracle forms, C, and COBOL programs. Monitor Database performance using AWR report Creating new tables, managing disk space. Oracle DBA IBM - Dubuque, IA January 2011 to August 2015 Manage setup, configuration and troubleshoot RAC. Configure ASM disk groups in RAC environment. Upgraded databases from Oracle 8i, 9i to 10g, Oracle 10g to 11g. Provide configuration and administration of Data Guard (Physical/Logical standby Databases) Proficient in performance tuning using Explain Plan, STATSPACK, TKPROF, AWR, ADDM. Performance Tuning of the database (Memory Tuning, I/O Tuning) Uses Data Pump, Export/Import, SQL*Loader, OEM Grid Control, RMAN. Write SQL, PL/SQL programs, Shell Scripting Translates business requirements into creation of database objects: tables, indexes, constraints, packages, Triggers, stored procedures and functions

using Oracle tools. Management of schemas, objects and partitioning the tables and indexes. Performed automating routine backup and monitoring tasks using Cron tab, UNIX shell scripting, RMAN scripts. Perform backup and recovery using Oracle 10g's user managed backup, using RMAN (cold backup/hot backup procedures). Create, configure, and utilize Recovery Manager Catalog. Adept in Database Maintenance. Database Monitoring and the use of advanced tools like Automatic Workload Repository (AWR), and Automatic Database Diagnostic Monitor (ADDM), Active Session History (ASH) and well acquainted with Automatic Segment Space Management (ASSM), and automatically shared memory management (ASMM). Sr. Financial Analyst ATLANTIC PLANT SERVICES - Joliet, IL 2008 to 2010 Sr. Financial Analyst MARIETTA CORPORATION - Chicago, IL 2008 to 2009 Sr. Cost Accountant CHICAGO GRANITE & MARBLE INC - Naperville, IL 2006 to 2007 Education MBA in Finance The International University of Missouri 1995 Bachelor of Commerce in Commerce University of Karachi 1989 Skills Aix (Less than 1 year), databases (5 years), Employee resource group (Less than 1 year), Enterprise resource planning (Less than 1 year), Erp (Less than 1 year), Hp-ux (Less than 1 year), Linux (Less than 1 year), Ms sql server (Less than 1 year), Oracle (5 years), Pl/sql (4 years), Red hat (Less than 1 year), Solaris (Less than 1 year), Sql (5 years), Sql server (Less than 1 year), Sun (Less than 1 year), Unix (4 years), Ux (Less than 1 year), Oracle DbA Additional Information TECHNICAL SKILLS Databases Oracle and MS SQL Server Languages SQL, PL/SQL, Tools Oracle Enterprise Manager, Sql Developer Operating Systems UNIX (Sun Solaris), HP-UX, AIX, Red Hat Linux Windows 2008r2 ERP Banner 8 Application (Ellucian)
