

Software Developer Software Developer Software Developer - Nicolas Global LLC Scottsdale, AZ

Hola, I am a designer and developer currently living in Scottsdale, Arizona at the moment. I specialize in javascript games, website design, graphic design, corporate identities, animation, various types of media projects and recently app development with phone-gap. I have been designing and developing professionally for over 7 years. When I'm not coding or designing, you'll find me playing guitar or on the freeway on my harley motorcycle. Authorized to work in the US for any employer
