

Web Developer and Designer Web Developer and Designer Upland, CA Authorized to work in the US for any employer Work Experience Web Developer and Designer The Wee Chippy - Venice, CA June 2018 to Present I've continually worked alongside the owners to create an easy to navigate web page for their customers. I established SSL encryption so that I can a web store to sell Wee Chippy merchandise online. i learned through Google Analytics that over 50% of the Wee Chippys web traffic was from mobile devices so we have been working together to develop the best mobile user experience possible. Weechippy.com Web Developer and Designer Harding Construction - Upland, CA February 2016 to Present I developed a web site for a local general contractor. I have not done much to the site since it was originally made but I do occasionally add before and after photos and client testimonies as well as handling the SEO. HardingConstruction.org Freelance Web Developer Education High school or equivalent S el monte high school - S el Monte, CA Assessments Search Engine Optimization Proficient July 2019 Measures a candidate's ability to interpret online website performance metrics and understand search engine optimization tactics. Full results: https://share.indeedassessments.com/share_assignment/d2pqv9ht7pgrsrcw Social Media Proficient July 2019 Measures a candidate's ability to create content, communicate online, and build a brand's reputation. Full results: https://share.indeedassessments.com/share_assignment/qrizzb6jcmfu-qh Graphic Design Expert July 2019 Using graphic design techniques and producing visual media to communicate concepts. Full results: https://share.indeedassessments.com/share_assignment/uhdgul7rdm9ldeqv Indeed Assessments provides skills tests that are not indicative of a license or certification, or continued development in any professional field. Additional Information I really enjoy photography and believe my experience behind the lens gives me a bit of an edge in graphic design.
