

Transportation Support Manager | Platoon Leader Transportation Support Manager | Platoon Leader
Transportation Support Manager | Platoon Leader - United States Army National Guard Maryland
Military Officer with Active Secret Security Clearance and 3 years of proven experience in the United
States Army National Guard. Managed risk upon multiple lines to protect assets, property, and
equipment valued over \$67M while meeting the expectations of senior leadership. Dependable
professional interested in Cyber Security job positions with any company that can apply analytical,
technical, and innovation skills to support and guard organizations against security breaches while
keeping them FISMA/NIST compliant. With my military experiences, I know how to collaborate with
people to bring a better result. I am eager to work with a team of analysts, Security Control
Assessors, ISSO, stake holders to defend digital files and electronic infrastructure. Work Experience
