

Sr. Front End Developer Sr. Front End Developer Designer / Developer Minneapolis, MN Please visit my online portfolio: <https://www.justinkorhonen.com> Work Experience Sr. Front End Developer The Lacek Group - Minneapolis, MN December 2017 to March 2019 I have been coding various types of email marketing and web designs for the Carnival Cruise Account. Working with strong HTML, CSS and AMPScript, I'm coding for use in Exact Target Sales Force Marketing Cloud. I use data files to propagate emails based on a subscriber's info. I test and correct code using Litmus to check all email platforms, iOS, Android and multiple operating systems. Sr. Web Designer 1517 Media - Minneapolis, MN March 2010 to January 2017 I had been wearing many different hats at this job. Design, Web Development, Email Marketing, Photography you name it. I improved the entire web visual presence for this multi-million dollar publishing house. Web Designer Faster Solutions - Duluth, MN November 2008 to November 2009 Was responsible for designing and building web sites in many different industries. Held client meetings/brainstorming sessions to assess and achieve clients' goals. Photo shoots on site with clients. Worked under fast deadlines and juggled many projects at the same time. Accomplishments ~ Redesigned the corporate web site and raised the overall quality of design within the company. Graphic Designer Copycats Media - Minneapolis, MN January 2008 to June 2008 Designed a wide range of DVD and CD projects. Pre-pressed incoming projects to our specs. Press checks for accuracy and quality. Accomplishments ~ Exceeded clients expectations ranging from record labels, local and national artists and local and national businesses. Instructor/Student Advisor The Institute of Production and Recording - Minneapolis, MN January 2005 to October 2007 Taught classes on Audio Engineering, Music Production and Graphic Design. Wrote curriculum for many different classes. Worked with students as an advisor. Accomplishment ~ Was a part of a team to write the design curriculum for the Music Business degree offered by the college. Freelance Design Rae Harmell & Associates - Minneapolis-Saint Paul, MN January 2000 to June 2004 Production ~ Worked freelance for a variety of companies, such as: Fame, Martin Williams, Best Buy, Target, Medtronic, Fallon and Peterson Milla & Hooks. Projects ranged from design in many different formats as well as production, scanning and creating large scale mock-ups. Accomplishment ~ Worked with a team to create the

largest billboard display in Time Square for Target. Education AAS in Applied Science Graphic Design The Art Institute International of Minnesota 2000 Skills CSS (10+ years), Graphic Design. (10+ years), HP-UX (5 years), HTML (10+ years), JSON (Less than 1 year), HTML 5 (10+ years) Links <https://www.justinkorhonen.com/>
