

Senior Video Producer Senior Video Producer Senior Video Producer - Princess Cruises

[jpernasphotography.com](http://jpernasphotography.com) I am a photographer and video producer not only by trade, but by passion.

I grew my love of photo and video with my love of astronomy and doing whatever it took to capture the sky on camera. That spread into landscape and wildlife, then eventually people. Ever since I found out I could make a living doing what I love and still being creative, I pursued it. When work feels less like work and more like challenges to overcome I know I chose the right field.
