

Manager of Operations Manager of Operations Tampa, FL Work Experience Manager of Operations
Crown Cleaners LLC - Auburndale, FL Present Foreseeing day to day operations, employee
relations, sales, marketing, post-system updating. Web developer and manager
Mykoreansurgery.com - Seoul September 2016 to May 2018 Owner of the website as a part time
income. Managing a information community forum of people who have little to no direct knowledge
or latest information about the South Korean plastic surgery industry. Daily roles are administrative
roles to find spam or accounts that break the websites terms of use. Another role is to research and
log keywords in the website s Meta tags to improve SEO day to day. With constant use of google
analytics and other applications I was able to bring forth several keywords that brought the website
into the google s first page of search results. In result of the SEO improvements I have even got
many plastic surgery hospitals to contact myself to find means of advertising through my website.
Entry level web developer and social media publisher Wapos. Co - Taipei January 2016 to January
2018 Manage social media outlets for advertising means (Facebook, Weibo, Line app). On-call tech
support for clients who purchased the companies application. Debugging the company s product for
fail-proofing, assistant database management, web server maintenance (Ubuntu, mongodb, LAMP,
Apache) Manager of Operations Education Computer Science Polk State College - Winter Haven,
FL 2010 to May 2012 Associate Skills Operation, Logistics, Revenue Cycle, Restoration, Languages
(7 years), Chinese (2 years), Korean (10+ years), Microsoft office (10+ years), Javascript (4 years),
Tech support (2 years), Social Media Marketing (2 years), HTML 5 (6 years), CSS3 (5 years), Call
Center (1 year) Links <http://linkedin.com/in/joseph-choi-a1263196>
