

Database administrator, Volunteer Coordinator Database administrator, Volunteer Coordinator Database administrator, Volunteer Coordinator Hollywood, FL I am currently looking for a position that I can do from home as I have some health related issues. I have been employed in accounting, human resources and managerial positions for over the past 40 years. I feel that my skill sets would provide a good match with any company. I have only listed my lasted employer. Prior to that, I was self employed for 8 years doing audits for mystery shopping companies. This provided me the opportunity to work on a limited basis due to my health issues and still have a way to provide income for myself. Prior to that, I worked as Accounting manager and Human Resources manager for several firms, did cost analysis for a screen printing corporation, owned several small business with my husband, ran a skating rink and opened a construction company. I will be happy to provide more details on all these endeavors if you request that. Work Experience Database administrator, Volunteer Coordinator Sheridan Hills Baptist Church - Hollywood, FL August 2011 to December 2015 Education Bachelor of Science in Accounting University of Tennessee - Knoxville, TN 2003 Skills office (10+ years)
