

Plumbing and Paint Sales Associate Plumbing and Paint Sales Associate Graphic Design Illustrator
Programmer Bloomingdale, IL Over 5 years experience as a Graphic Arts professional in both digital
and traditional mediums. From conceptualizing and creating corporate branding for real estate
startups to animating original creatures and effects for several indie games, I have a wide breadth of
experiences and can adapt to any unique challenge. Authorized to work in the US for any employer
Work Experience Plumbing and Paint Sales Associate Menards - Glendale Heights, IL March 2007
to August 2017 I advised guests in choosing the correct tools and products for their home
improvement projects. I was in charge of product sales deliveries and special orders. I also kept
inventory, down stocking and up stocking as needed. Facing products and cleaning our work area.
Key Accomplishments: Taught guests about complimentary colors, and achieving certain moods
for their rooms through thoughtful use of color theory. Trained and lead 4 team members. Website
Graphic Arts Designer Collaboration Theater Company - Chicago, IL May 2005 to March 2007
Helped create and design promotional materials for web and print marketing campaigns for
theatrical plays. I also assisted in general administrative office duties. Key Accomplishments:
Networking with different artists and creative organizations Helped in creating a consistent visual
theme for each play on the company site and printouts. Front- end Developer Chicago Fit 4 Life -
Chicago, IL May 2005 to January 2006 Consulted with a personal trainer to create a web site for his
business. Created company logo and online branding. Designed web site to provide online shopping
and purchases of fitness items to enhance their brick- and-mortar business. Key Accomplishments:
Developed, designed and created new website. Maintained by client. Experimented and utilized
