

Freelance Front End Developer Freelance Front End Developer Yucaipa, CA Authorized to work in the US for any employer Work Experience Freelance Front End Developer Self-employed - Yucaipa, CA May 2002 to Present I am a front- end developer specializing in responsive web design and css architecture. Experienced with building templates for Wordpress, Business Catalyst, and Shopify. Many of my clients are designers or design firms. I also work with small local businesses and organizations in my area of Southern California. Front End Developer SnapMD - Glendale, CA July 2013 to December 2015 SnapMD makes telemedicine software. I worked with the team on the css architecture of the project, reorganizing the initial sheet for use with the Less pre-processor. I also did front- end development and UI design. Front End Developer DMusic - Hollywood, CA February 2000 to April 2002 At DMusic I helped build an online community for musicians and enthusiasts. Many of the tools we built became staples of online communities, such as user-pages with journals, shareable playlists, and photo galleries. Education Eisenhower High School - Rialto, CA August 1994 to June 1997 Skills Responsive Web Design (6 years), Wordpress (10+ years), HTML/CSS (10+ years) Links <http://simonfoust.com/>
