

Web Developer Web Developer Capitol Heights, MD I come from Brazil. I am new here from USA and would like to practice English, meet people and have new professional experiences Authorized to work in the US for any employer Work Experience Web Developer Oficina Interativa - Rio de Janeiro, Brazil August 2013 to Present Returning to work in this company with new goals and much more experience from when I started my career. With new challenges every day learning more and exchanging experience with other professionals in the area. Mais Solu es Web Developer - Web Design - GeneXus Design Mais Solu es - Rio de Janeiro - Brazil November 2009 to June 2013 I worked at Mais Solu es for over 3 years and learned a lot in the company always with new challenges and barriers to be broken. Besides knowing Genexus which is a new tool for my professional career and learning how to create design in systems developed by Genexus. Web Developer Oficina Interativa - Rio de Janeiro - Brazil September 2008 to November 2009 Simples was the company where I learned a lot about Font-end, working with different designs, very creative people, each day was a challenge and each challenge a learning, with that the professional experience grew more and more. Web Developer Oficina Interativa - Rio de Janeiro - Brazil June 2007 to September 2008 This company was my foundation in Web Design, where I learned to work with all Web tools. Living with web professionals made me want to learn more, and thus become the professional I am. Education High school or equivalent Skills HTML5 (10+ years), JQuery (10+ years), Wordpress (10+ years), CSS3 (10+ years), Photoshop (10+ years), Web Design (10+ years), Front End (10+ years), Javascript (10+ years) Links <https://www.linkedin.com/in/diogotoscano> <http://www.coffeemugagency.com/> <http://www.oficinarj.com.br>
