

Machine Operator Machine Operator Fort Wayne, IN Authorized to work in the US for any employer

Work Experience Machine Operator Parker Hannifin - Ashley, IN July 2018 to Present Operate a Skiving machine with responsibilities ranging from changing the machine to a different part size, using a micrometer to set a cutting magazine to the exact size within +/- 1 thousandths of an inch, inspect the inner diameter of the tubes and ensure they are within +/- 1 thousandths. Also included are daily pms of cleaning the machine, clean filters, and keep a clean and organized work area.

Network Administrator United States Marine, USMC - Indianapolis, IN August 2016 to Present As a network administrator with the USMC Reserves. My responsibilities include the configuration of VoIP telecommunications, Routing Equipment, Switching Equipment and the assurance that the network will continue in a working manner.

Commercial Shipping and Receiving Coordinator National Door & Trim - Van Wert, OH May 2017 to July 2018 As the commercial shipping and receiving coordinator I over saw all of the commercial hardware being received and shipped, I received floor plans from the project managers, that specified what hardware and how much needed to be shipped. Then I would individually label and sort every piece of hardware for the project it was associated with. On multiple occasions I would drive either a box truck or flatbed F-450 and personally deliver the hardware to projects anywhere in Indiana and Ohio.
