

Sales Representative Sales Representative Longview, TX Work Experience Sales Representative Best Buy - Longview, TX August 2018 to Present As a sales representative, I performed with the tasks of communicating with customer to find the exact or most desired tech product(s) that could tailor to the needs of the consumer. I have professional capabilities that include communications with customers, relaying knowledge of such products to the consumer, and providing customers with additional service plans for their products. I was also able to help other consumers with any problems or concerns they have with their service or products that at times irritate the consumer, including the ability to support the customer in the best way. Cashier Walmart - Longview, TX August 2017 to July 2018 As a cashier, it was my duty to assist customers with any problems to the best of my abilities, provide hospitality to all customers in store, keep stock and organize all products in store, and keep a record of all store products in the market. Web Developer DART Telecommunications -- Tyler, TX June 2013 to September 2013 Provided continued maintenance and development of bug fixes and patch sets for existing web applications. Contributed to the design and production of several web components to the company website and current web architectures. Established an integration with third party products and communication services to enhance user experience and developer/employee relations. Reviewed, observed, and recommended network security standards for web infrastructures to management when available. Education BA in Business Management Tyler Junior College - Tyler, TX January 2017 to May 2019 B.S. in Computer Science University of North Texas - Denton, TX 2015 to 2019 Skills Software Development (3 years), Customer Service, Team Member Certifications/Licenses Life and Health Insurance
