

Data Associate Data Associate Data Associate - Samasource Uganda US I am a young modest, but hard working person, and I consistently set firm goals for myself. Then, once I've defined the benchmarks, I take the necessary steps to achieve those milestones. I am someone who thinks positively and who can execute on difficult tasks. I'm not an individual who needs to be micro-managed. Rather, when given a specific task, I can figure out the best ways to solve the problem in an autonomous manner.
