

Network Administrator Network Administrator pune Engineer: ? A customer oriented and self driven professional with excellent networking knowledge possesses rich experience of 2.5years. ? Excellent in designing and maintaining LAN, WAN, ETHERNET and voice networks. ? Expert in trouble shooting the existing networks. ? Experienced in providing motivation, guidance and up to date networking consulting service to both colleagues and clients. ? In-depth understanding of networking policies and rules. Organizational details: - Vertrauen Engineers Duration: Nov 2013 till May 2016 worked with Vertrauen Engineers. Key Responsibilities: Manage the networking of organization. Responsible for installing new hardware, systems, and software for networks. Maintain the proper communication through LAN between various departments. Upgrading and repairing faults on CIS systems, networks & peripheral equipment. Investigating, diagnosing and resolve all network problems. Administrating LAN and WAN connectivity for Client Sites. Installation, Integration and maintenance of LAN and WAN setup. Provided training to new employees. Authorized to work in the US for any employer Work Experience Network Administrator vetrauen engineers - pune October 2013 to May 2016 B.E. Project: PROJECT TITLE: "Counting System Using Infrared". Role PCB designing, defining control logic, component selection Team Size Four Description : By this Counting System, the number of persons and their movement can be detected with more accuracy at a wide door.By Pattern Recognition Algorithm, number of passing persons and their direction of movements are recognized. B.E. Project: PROJECT TITLE: "Long Range FM Transmitter with Audio Modulation". Role Major component selection, coil designing Team Size Four Description : Aim of this project is to develop a long range FM transmitter with Audio Modulation. Hardware Requirement Transmitter, Coils, Resistors, Trimmers, Capacitors and Antenna. Education B.E. CSVT University - Bhilai, Chhattisgarh 2013 Skills C (Less than 1 year), MATLAB. (Less than 1 year) Additional Information Computer Skills ? Programming Languages: Academic level: - C & C++, MATLAB. Personal Strengths ? Positive attitude in doing jobs. ? Believe in devotion towards duty, honesty, and commitment. ? Team work with full enthusiasm. ? Go Getter
