

Oracle Database Administrator Oracle Database Administrator Oracle Database/SQL Server Administrator - Conduent-Maryland Germantown Frederick, MD Highly technical Oracle Database Administrator with about 7 years' of demonstrated experience with RMAN in Oracle 10g/11g/11gR2/12c Database Administration on Linux, Sun Solaris, HP-UX, and Windows platforms. Skilled in TDE, designing, implementing and supporting high availability and disaster recovery solutions for Authorized to work in the US for any employer Work Experience Oracle Database Administrator Conduent-Maryland Germantown - Douala, CM April 2018 to Present Performed p2v data centre Migration Monitoring and problem resolving of related issues. Patching, Upgrades and Migration experience. Expert Database Utilities 2012 to 2014 MICROSOFT SQL SERVER Expert in Tuning Database - Tuning involved I/O, Memory, CPU utilization, SQL Tuning, SGA tuning, Shared Pool tuning, Buffers and Disk I/O tuning (2012 R2, 2014, 2017) using Oracle's regular performance tuning tools like Explain Plan, STATSPACK (perfstat), SQL\*Trace, TKPROF. Database Utilities Performed RMAN backups (Full, Incremental and Cumulative) and recovery, SQL\*Plus, Oracle Enterprise incomplete recovery and disaster recovery using Standby database or Data Manager (OEM), Real Application Guard. Successfully implemented two type of standby databases supported by Data Cluster, ASM, Transportable Guard, logical standby and physical standby databases in 11gR2 on two node Tablespaces, SQL\*Loader, RMAN, RAC. SQL TRACE, TKPROF, EXPLAIN PLAN, Worked on large-scale databases with size around 10TB in large system DataPump, Export, Import. MS environments. Management Studio, Visual Studio. Performed Database Refresh from Production to IST, UAT and Development databases. Strong technical proficiency in Database Cloning, Migration, and Patching of Oracle Databases. Setting up, configuring and maintaining Oracle Data Guard/Active Data Guard to control Primary and Secondary databases and also to ensure disaster recovery using various data protection modes. Database security using Oracle Security Features (roles, privileges), auditing & Network ACL Config, Transparent data encryption, DBMS CRYPTO, etc Excellent knowledge in Flashback Recovery, Hot/Cold Backup and Cloning/Refresh of databases using RMAN. Extensively worked on Import/Export and Data Pump Import/Export tools. Knowledge in configuring ASM (Automatic

Storage Management) Knowledge of Database Recovery Techniques and implementation of those recovery techniques to ensure business continuity. Proven expertise in maintaining Database Security using auditing. Experience in upgrading SQL Server software to new versions and applying service packs and hot fixes and unattended Installation. Experience in Installing and Configuring SQL Server Active/Active and Active/Passive clusters and AlwaysON. Implemented different types of Replication Models such as Transaction, Snapshot and Merge in SQL Server in OLTP Environments. Implemented and successfully tested Database Mirroring in SQL Server. Excellent knowledge in creating Databases, Tables, Stored Procedure, DDL/DML Triggers, Views, User defined data types, Cursors and Indexes using T-SQL. Implemented and successfully tested Log Shipping in SQL Server. Implemented different types of Replication Models such as Transaction, Education Bachelor's Degree in Law University of Buea Skills DATABASE, REPLICATION, AIX, LINUX, SOLARIS, SUN, UX, DATA REPLICATION, HP-UX, AUDITING, GENERAL BUSINESS Certifications/Licenses Oracle Certified Associate June 2018 to Present Additional Information TECHNICAL SKILLS mission-critical environments to help improve workflows and general business Operating Systems efficiency, analyzing database performance and tuned database accordingly. Able HP-UX 10.x, 11.x. Sun Solaris 9.x, to maintain database security using auditing as well as data replication Golden gate 10.x AIX 5.x, 6.x RHEL 5.x, 6.x Linux and Logical Standby databases while proactively patching and upgrading databases Enterprise Server 9, 10. Windows to latest release. 2008, 2010 , MSBI, SCRUM MASTER.
