

Web Designer/ Developer Web Designer/Developer Huntington, NY As a business marketing major, I consider myself to be a passionate, enthusiastic, and dedicated worker. I've always had an admiration for creating and the interaction through all forms of marketing, with specific concentration in digital and social media marketing. Career strengths I have are strong organizational skills, an open minded personality, and a work ethic where I desire to learn and work at my most efficient. Attributes of which I believe will make me an added resource and valued member of your company.
