

Systems Administrator/ Network Administrator Systems Administrator/ Network Administrator  
Systems Administrator/ Network Administrator - CGI Federal Murrieta, CA Motivated ex-military and college graduate seeks employment opportunity. I have the talent for quickly mastering technology. Demeanor is outgoing and helpful accustomed to friends, family and co-workers calling me to help them with a work or computer related issue. I am always glad to help out at the workplace with whatever project or to troubleshoot an issue. I maintain my composure under pressure because I thrived in deadline-driven environments. I am very knowledgeable with all aspects of networks and computers. I have been working with them for over thirteen years. I like to work hard even if it means I have to put in a little more time to get the job done so that it makes it a little easier for the next day. I have over Six years of technical training in the computer field. I have over nine years of technical support experience. I am very good with System Administration and Cisco Networks, Server/Computer-related technical problems.
