Web Developer III Web Developer III Photragher/ Web Developer/Graphic Designer Houston, TX

I am a passionate photographer, graphic designer, and web developer that enjoys transforming the way audiences view, interact with, and experience digital and print media. With over eight years of experience working in systems like Wordpress, Wix, and Dreamweaver as well as creating anything from billboards to digital magazine layouts, I bring thoughtful perspective and a blend of creative chops heavy on digital savvy. A team player, I am recognized for my impassioned approach to projects and colorful, outside of the box ideas.
