Event Photographer Event Photographer Photographer Antelope, CA Father of three. My family and I moved to US from Ukraine in 2012. Spent three years on learning English. Finished working on AA degree in Computer Science and Photography at Sierra College in May 2019. In December 2017 purchased my first DSLR and it intrigued me immensely.   Looking for a photographer position as a part or full time job, or contrator. Efficient editing in Photoshop and Lightroom.   Have experience working with PtGui creating VR360 photos with DSLR. Have strong experience in creating websites, working with FTP and custom coding.   Strong understanding of SEO. Fast learner and am ready for something new. Have plan to purchase DJI Mavic 2 Pro. Also, I will purchase ANY other equipment needed for the job. Would be happy to work with you. Thank you.
