Software Developer Software Developer Software Developer Ocoee, FL I view myself as a very motivated and hard working person. In my masters program I graduated in the top 10%. Although young I have already had experience in leadership rolls at my last company as the head of teams for 2 separate live projects. I have experience in both Windows and Web Applications. My coworkers looked up to me and I was considered very reliable by my company. Work Experience Software Developer MBIT Solutions Pvt Ltd December 2016 to December 2018 I started as a junior software developer within 10 months I was made project leader doing live projects in VB.net.
