Network Administrator, Technical Support, Sales Assistant Network Administrator, Technical Support, Sales Assistant Seeking full-time opportunities in Business Analytics or Consulting starting fall 2019 Richmond, VA My name is Erich Snyder, I am a recent graduate of Virginia Tech, with a degree in Business Information Technology with a Decision Support Systems focus. I am seeking a full-time Business Analysis or Consulting position within a company with exceptional culture that values an entrepreneurial spirit. I have a history of working for a small family business where I was privileged to be active in leadership decisions regarding the direction and strategy of the company. What I bring to the table is a strong work ethic, can-do attitude, and a deep desire to contribute to a tech-forward company. I possess robust interpersonal and soft skills, public speaking, and a multitude of competencies cultivated during my time at Virginia Tech.
