Backend Web Developer Backend Web Developer Backend Web Developer Boston, MA

Throughout my academic and professional years I have managed to reach my goals and build my interpersonal skills, hone my leadership skills and gain experience in Operations Management, Information Technology assistance and managerial positions, Sales and Marketing. During my previous jobs I demonstrated strong critical thinking skills and leadership capabilities necessary for success in the management field. I achieved all the goals set from my employers through my valuable input as well as my persistent dedication to each company. Furthermore, I coordinated projects involving numerous people, and my ability to work collaboratively while guiding the project quickly and effectively was outstanding.I believe I can be an effective communicator that can coordinate teams to reach their objectives Work Experience Backend Web Developer Information Technology Dpt 2017 to December 2017 Office of the CIO (Chief Information Officer)   Maintain, Update and Problem Solve all 400 Harvard University Websites IT Project Manager on Smith Campus Center Project Harvard University - Cambridge, MA June 2015 to November 2016 Harvard Planning and Project Management   Responsible to create and manage a user friendly and efficient system to collect and analyze data as well as prepare reports of the findings IT Assistant Harvard University June 2015 to July 2016 Office of the CIO (Chief Information Officer)   Responsible for Computer and Technology Support   Problem solve hardware and software issues Retail Sales Associate DVD and Video Accessories Co - Athens, GR 2011 to 2013 Greece.
