Full results: https://share.indeedassessments.com/share_assignment/49ylywj86qfufqfm Indeed Assessments provides skills tests that are not indicative of a license or certification, or continued development in any professional field. Additional Information  Have completed various design projects ahead of schedule making me known to work reliably fast.  Have been closely involved with CEOs or top level developers were I have been and integral part in completion of both high end complex projects.  (A little bragging here.) My icon designs and e-commerce UI designs have been imitated from various competitors in the Blinds and Shades industry. (Imitation is a form of flattery?)
