OWNER, ARTIST OWNER, ARTIST Milton, GA Work Experience OWNER, ARTIST Gaby Friedman's Art September 2012 to Present I'm passionate about contemporary abstract art, in particular, the relationship between nature and colors. I come from a long line of artists. I relish the multi-cultural experience. My person- al motto is that each of us can make our world happier. My work radiates this energy. I   Manage my online business, including social media and my website.

  Maintain strong working relationships with customers, vendors, and other small-busi- ness owners.

    Participated in the design and creation of a line of wedding invitations and paper goods. SUPPORT MANAGER ETF.COM February 2008 to May 2010 I was the liaison between our US, UK and the IT department in Ecuador. I managed a team of developers and designers which implemented all the editorial team requirements for the company's websites.   My responsibilities included: Identifying and fully understanding client requests.   Assigning and tracking tasks in project management system.   Ensuring developers and designers adhere to standards of scope, budget, and time- lines for each client project.   Monitoring project progress continuously on measurable items, such as milestones and deliverables and making detailed scheduled reports for external clients and in- house staff.   Communicating proactively with all in-house personnel to inspire and ensure ac- countability of their assigned tasks, identifying problems, creating solutions, resolving roadblocks and implementing improvements.   Performing detailed Quality Assurance on completed design and development tasks.   Executing marketing materials (email blasts, banner ads and updating company's websites).   Attending and leading meetings as well as preparing and providing status reports. VOLUNTEER THE KIBBUTZ EIN HASHOFET July 2007 to December 2007 FRONT END WEB DEVELOPER, YAG www.yage.com.ec January 2006 to June 2007 Responsible for front end development for various projects from web landing pages to HTML pages using JavaScript.
