Web Developer Web Developer Portland, OR Authorized to work in the US for any employer Work Experience Web Developer Delta Dental of Wisconsin - Stevens Point, WI May 2016 to Present As a front end developer working for Delta Dental of Wisconsin, I have designed, built, and managed front facing web pages using an array of languages and frameworks. Using git and svn as the main source control for our programming, I have also been a big part in designing the git pipeline and deployment strategy to different testing and production environments.   Using an agile approach to our development work, we use JIRA for story and time tracking, along with being able to tie stories, tasks, and bugs to deployment snapshots for more of an agile mindset. Education Associate in Information Technology/ Web Development Midstate College - Stevens Point, WI September 2014 to May 2016 Associate Skills MySQL (3 years), HTML 5 (4 years), jQuery (3 years), PHP (5 years), Javascript (4 years), Git (4 years), Angular (2 years), Front End (4 years), HTML5 (4 years), C# (1 year), Angularjs (2 years), Apex (2 years), Lightning (2 years)
